

March 2-4, 2021

Dallas, TX

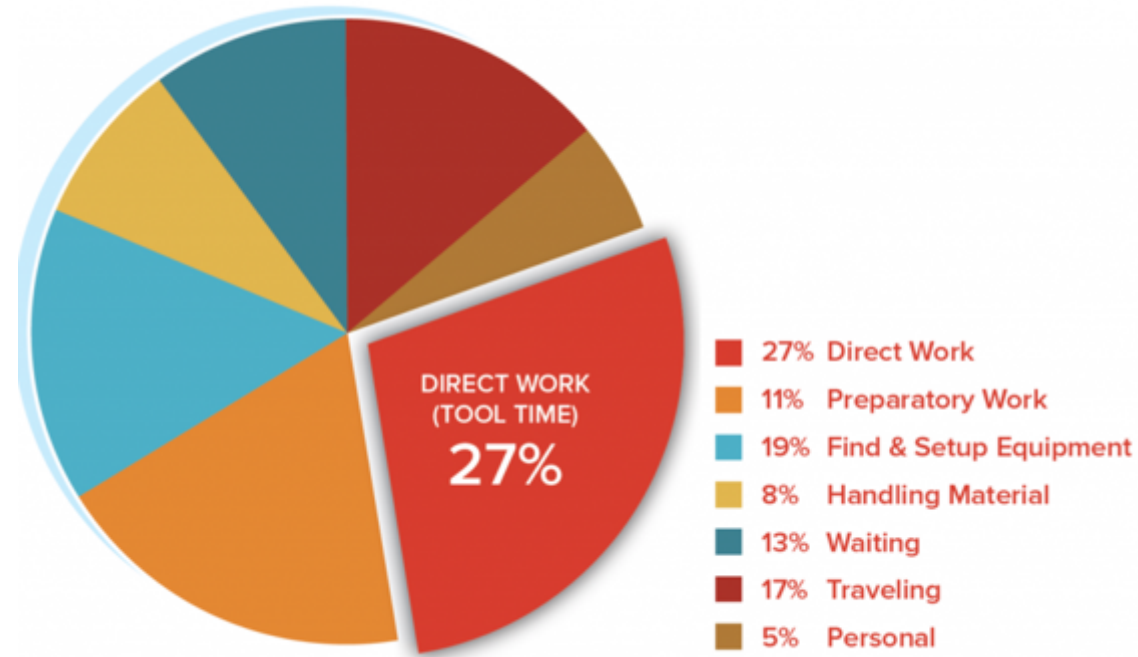

Since **2012**, E2E Summit and our **PROVEN** approach has **DELIVERED** thousands of **CONNECTIONS** that have **RESULTED** in **NEW** strategic partnerships, **INCREASED** business wins, **REDUCED** costs, **CONTINUOUS** improvement, and a **FRESH** way of thinking about the same problems.

Why E2E Summit?

Labor shortages, lower margins, and higher risks are **SYMPTOMS**, the root cause is the lack of **PRODUCTIVITY, LEAN** and the **ADOPTION OF INNOVATION** in construction.

How a typical craft worker spends their day.

Source: CII IR 252-2A (2010), Craft Productivity Study

Innovation & Technology **ADOPTION**, is the
DRIVING FORCE to create your next
COMPETITIVE ADVANTAGE.

If you're not focused on this your
COMPETITOR is!

The E2E Summit has only grown based on word of mouth and referrals only. No advertising since 2012.

When **DECISION MAKERS** connect to have
STRATEGIC and **MISSION** focused meetings new
PARTNERSHIPS, IDEAS, OPPORTUNITIES
happen.
